Members Present: Thomas Schmidt, Jenna Anderson, Len Sandler, Gregg Oden, Alan Peters, John Scott, Connie Peterson, Jose Fernandez.

Others Present: Don Guckert, Rod Lehnertz, Larry Wilson, Shawn Albaugh Kleppe, Patricia Cain, Jeri King, Jean Walker

Call to Order: Chair Oden called the meeting to order

Approval of Minutes: Minutes of the January 30, 2006, CPC meeting were approved as distributed.

Action Item(s):

Naming Proposal for Kinnick Press Box

A proposal initiated by the Athletics Department to name the new press box the Paul W. Brechler Press Box in honor of former Director of Athletics Paul W. Brechler was presented. A motion at the subcommittee level was made and unanimously approved by committee members to endorse the proposal. The endorsement was contingent upon the review of additional details pertaining to how the building name will be recognized (e.g. exterior/interior signage, etc.).

An example of the exterior signage was presented to the full committee. Many issues were raised including letter size and placement. The Committee suggested that this item go back to the Campus Environment Subcommittee to review additional options that address questions raised by the full committee.

Information Item(s)

Rollout of Campus Master Plan

Jeri King reviewed the methods being considered to rollout the updated Campus Master Plan. Committee members offered suggestions on printing, presenting and website design for communicating the new plan.

CPC Subcommittee Reports:

Campus Environment Subcommittee

Did not meet

Design Review Subcommittee
Did not meet

**Land Use Subcommittee**

Carver Hawkeye Arena Project

A proposal for an addition to the north side of Carver-Hawkeye Arena which would provide space for a practice facility, increased office space for coaching staff, and a pre-event meeting room was presented. Issues raised included minimizing the impact on the hillside and trees and the architectural character of the existing arena. The Land Use Subcommittee agreed to the appropriateness of the land use for this site assuming programming and architectural design would allow it to be integrated into the site and original design of Carver-Hawkeye Arena.

College of Public Health Site

The Land Use Subcommittee originally reviewed a proposal in March 2005 for considering two sites for the new College of Public Health Site building: 1) Westlawn and 2) International Center. Westlawn was no longer being considered so the subcommittee was asked to determine if siting the College of Public Health on the International Center site would be appropriate. Before making a final recommendation, the subcommittee suggested a joint meeting of the design review and land use subcommittees would be in order to review massing, placement, land disturbance, and access.

**Other**

Campus Recreation Center

Don Guckert reported that the program for the Recreation Center is being finalized and schematic design is progressing.

Meeting adjourned at 3:00 p.m.
