UNLESS OTHERWISE NOTATED ON THE CONCEPT PAGES:

1 - All fonts used are: Berthold City and Tahoma

2 - All graphics and colors provided must conform to scale, specifications, and PMS numbers where provided. The colors used for the concepts need to match Iowa’s Black and PMS 116 Gold.

3 - The installer shall conform to all of the graphic designer’s drawings and specifications, and will submit samples to the graphic designer for all materials and finishes included in their scope of work before commencement of such work.

4 - All dimensions are to the exterior face of the finished material, unless otherwise noted. All elevations are noted from finish floor elevations.

5 - All sizes are approximate for bidding, and will need to be field measured for specific fit before starting production. Field measurements are the responsibility of the selected vendor awarded contract.

6 - All hanging and mounting systems need to be approved by the graphic designer, and the vendor must provide shop drawings of hanging and mounting systems for approval before production.

UNLESS OTHERWISE NOTATED ON THE CONCEPT PAGES:

1 - All fonts used are: Berthold City and Tahoma

2 - All graphics and colors provided must conform to scale, specifications, and PMS numbers where provided. The colors used for the concepts need to match Iowa’s Black and PMS 116 Gold.

3 - The installer shall conform to all of the graphic designer’s drawings and specifications, and will submit samples to the graphic designer for all materials and finishes included in their scope of work before commencement of such work.

4 - All dimensions are to the exterior face of the finished material, unless otherwise noted. All elevations are noted from finish floor elevations.

5 - All sizes are approximate for bidding, and will need to be field-measured for specific fit before starting production. Field measurements are the responsibility of the selected vendor awarded contract.

6 - All hanging and mounting systems need to be approved by the graphic designer, and the vendor must provide shop drawings of hanging and mounting systems for approval before production.
