Phase 2 - Revised 7/13/23

Phase 2 - Summary:
West pedestrian path will be eliminated. A new east path will be provided along the east access drive from 7/20/23 thru 8/21/23. This path will provide pedestrian access until crosswalk access is available with completion of Phase 2A and the west portion of sanitary in Phase 1B. Separate alerts will be issued for Phase 1B sanitary work and Phase 2 of Hawkeye Ramp Rd.
