

Design & Construction  
Capital Project Update

June 14, 2018

# Power Plant – Capacity Expansion

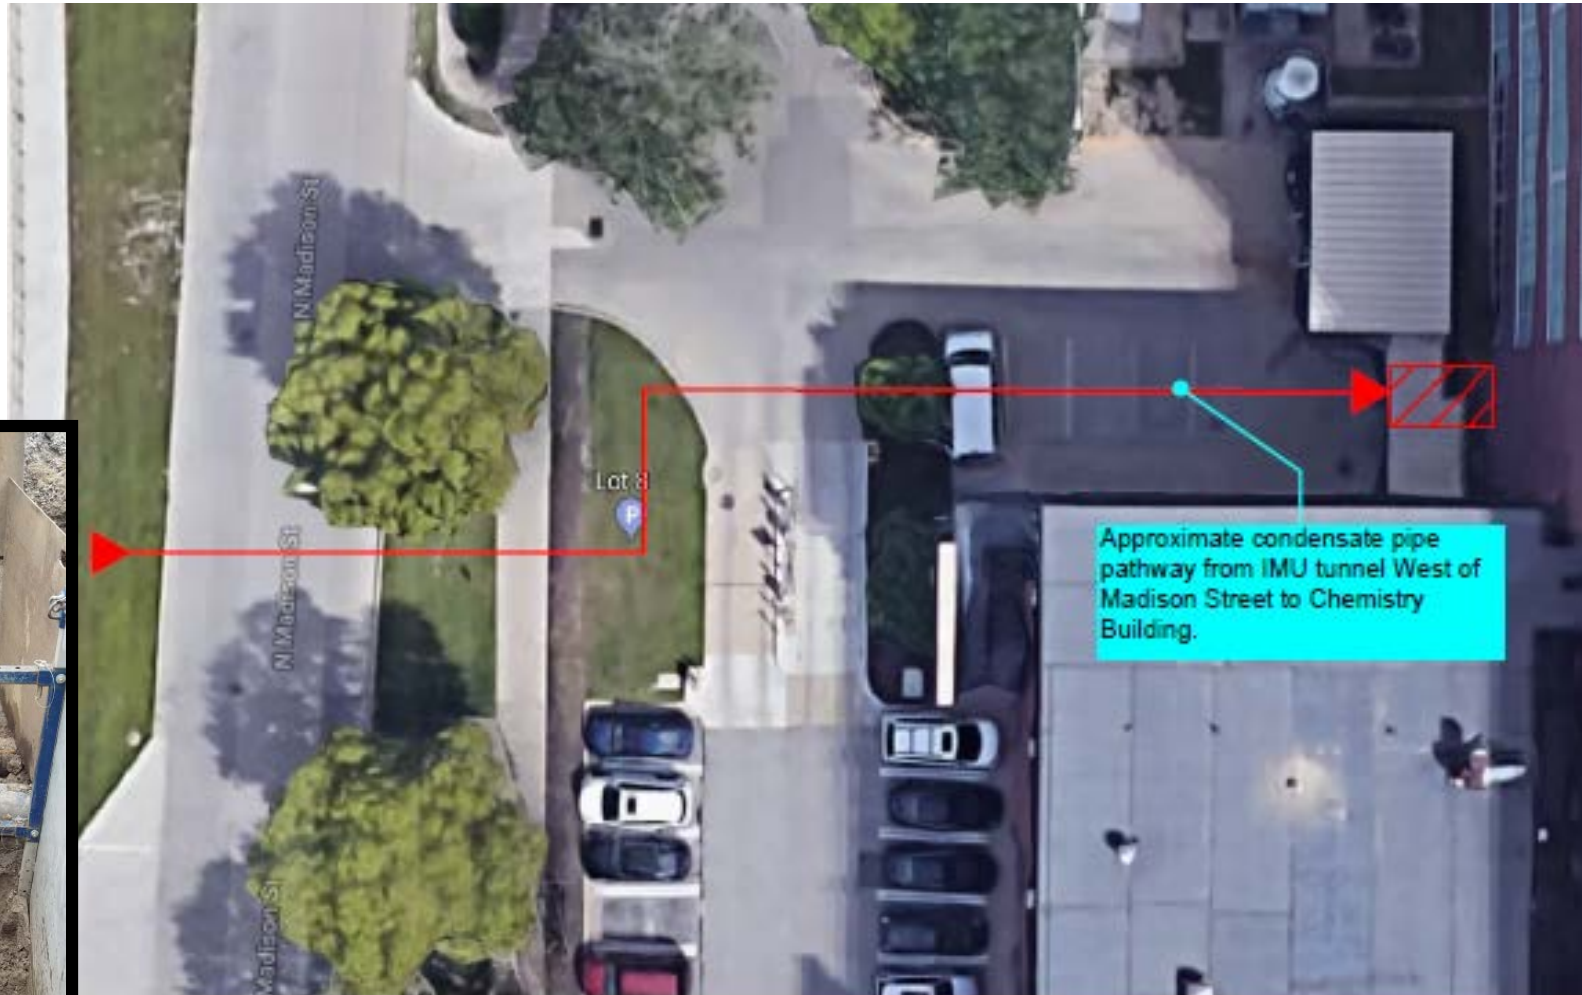

View Looking South (Campus Recreation & Wellness Center and Power Plant)

# Chemistry – Replace Condensate

Approximate condensate pipe pathway from IMU tunnel West of Madison Street to Chemistry Building.

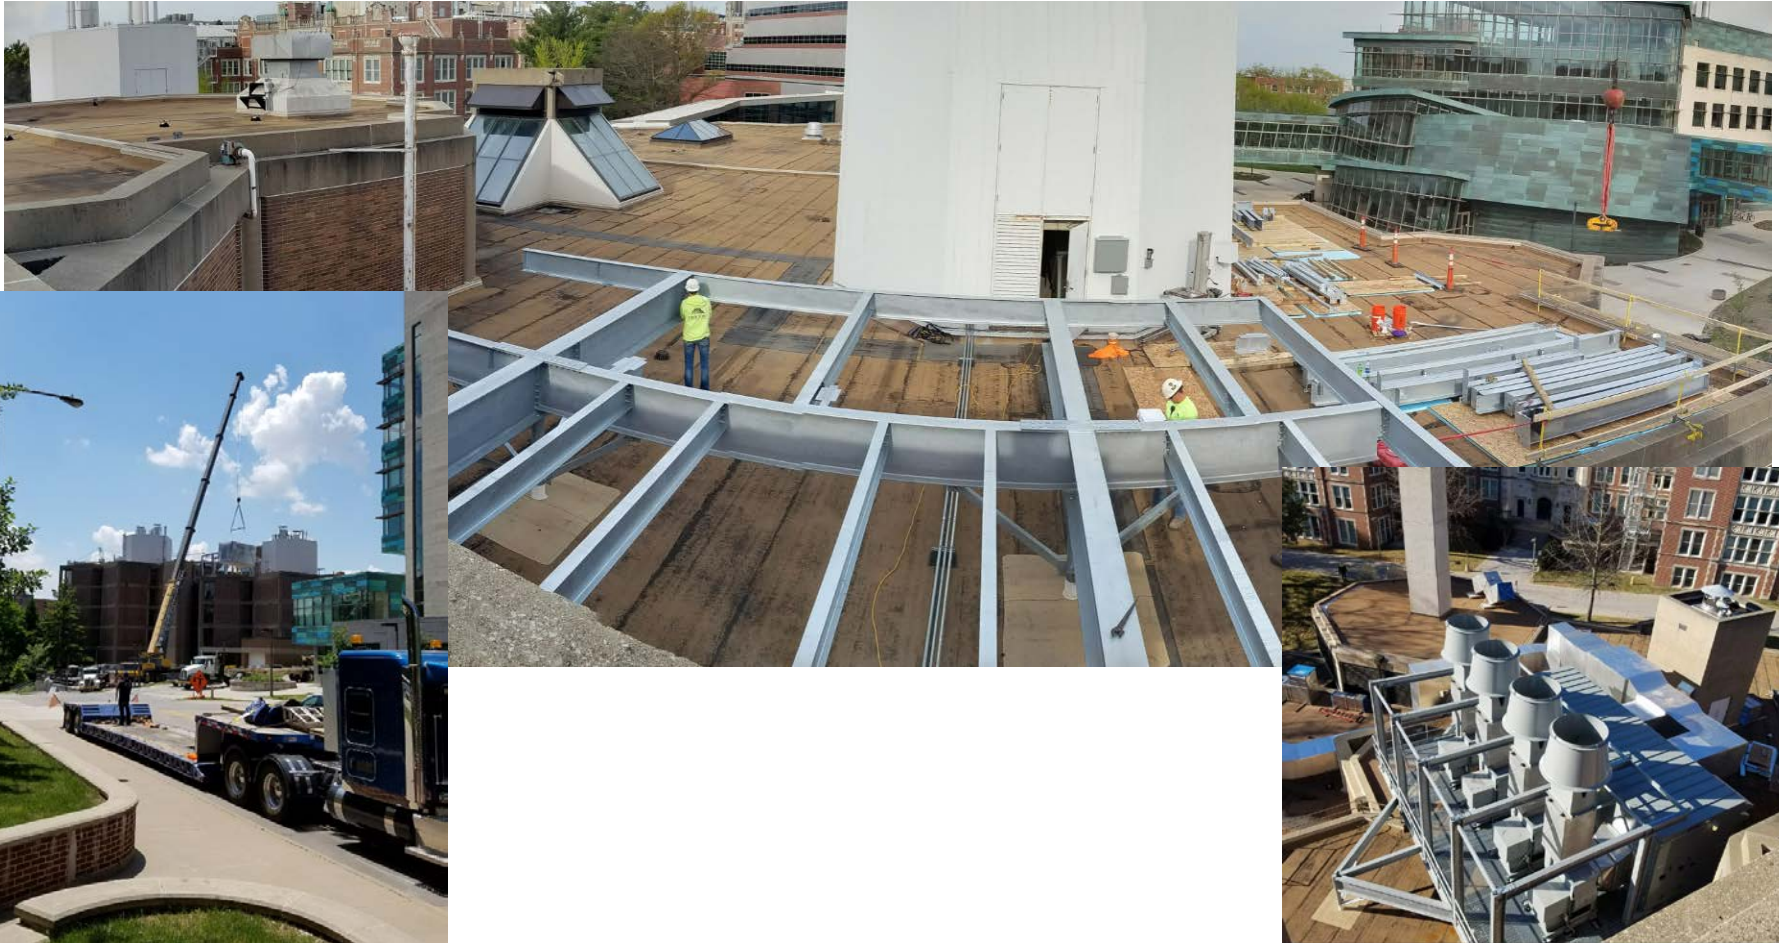

# Biology Building – Renovate 1<sup>st</sup> & 2<sup>nd</sup> Floor Labs

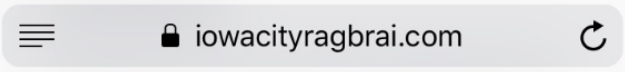

# Bowen Science Building – Modernize Building Systems

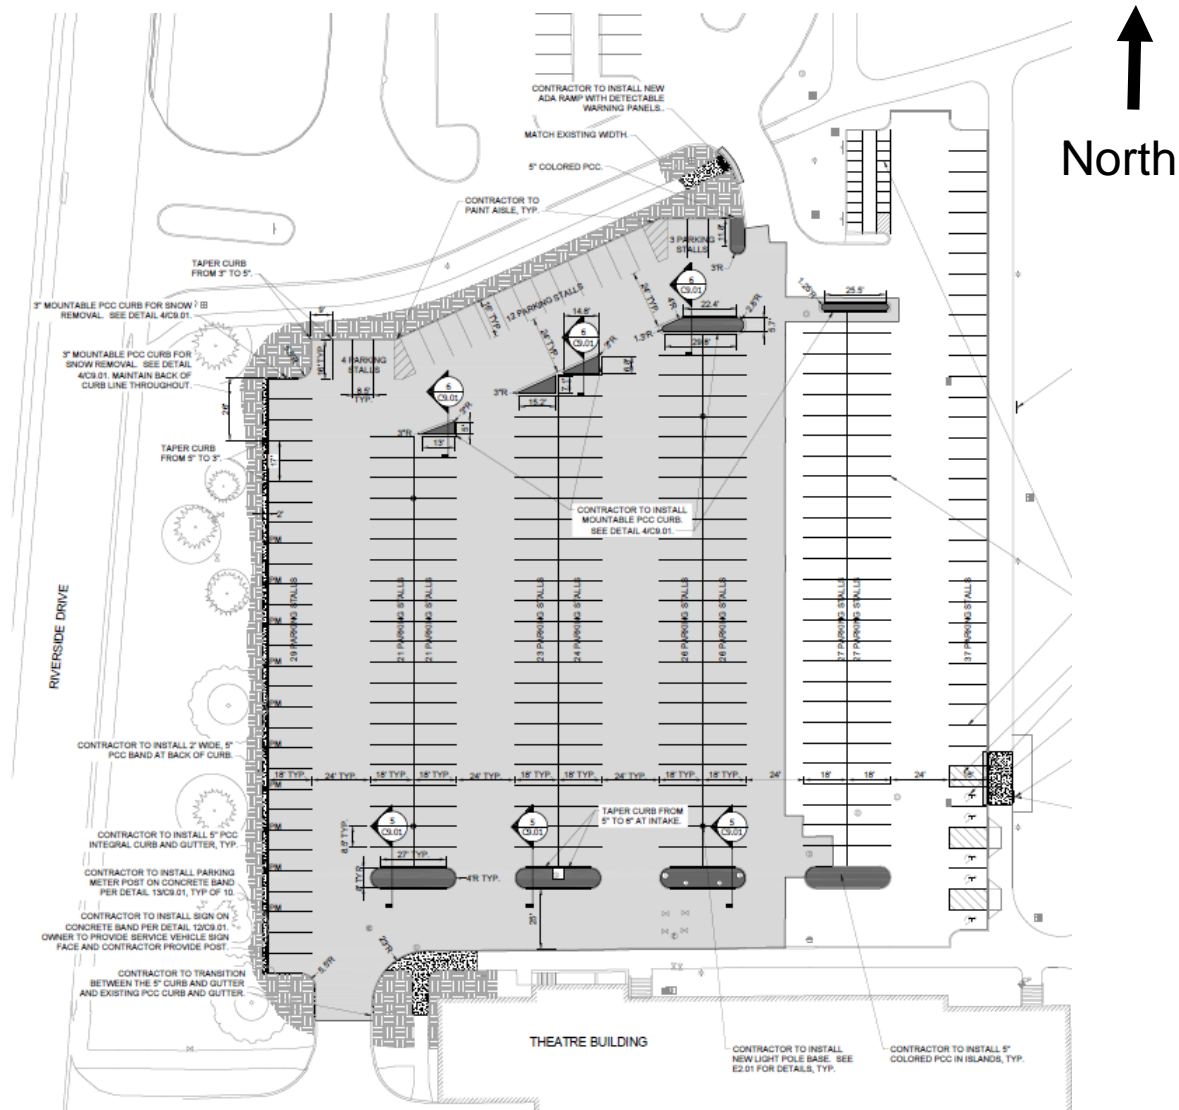

# Parking Lots and Ramps - Reconstruct Lot 55

as the camping space for RAGBRAI riders and support crews in Iowa City.

Registered RAGBRAI support vehicles are asked to approach Iowa City from Interstate 80, and travel south on Dubuque Street (exit 244) to City Park. It is anticipated that the Park Road bridge will be open for Registered RAGBRAI vehicles. RVs and buses will park in the University of Iowa's Hancher Auditorium lot adjacent to City Park. No camping will be allowed anywhere on the UI campus, with the exception of RV parking in the Hancher lot.

# Hancher Footbridge - Reconstruction

# IMU Footbridge – Utility Repairs

# Chilled Water Plant 2 – Install Cooling Tower

**EXISTING GROUND VIEW FROM KINNICK PARKING LOT**

**GROUND VIEW FROM KINNICK PARKING LOT WITH NEW COOLING TOWER**

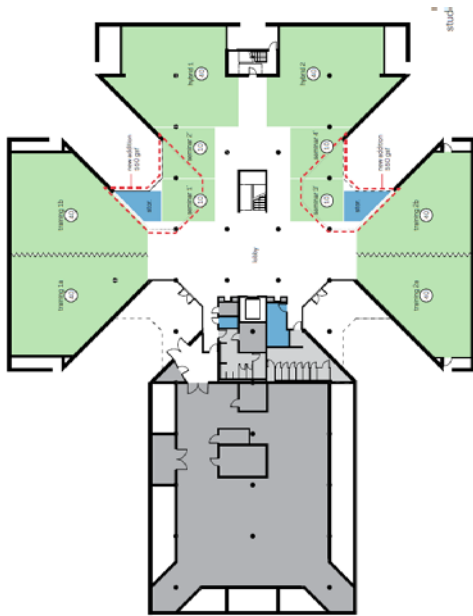

# Finkbine Commuter Lot - Construction

# Nursing Building – Building Modifications

Level 01 Student Commons looking north

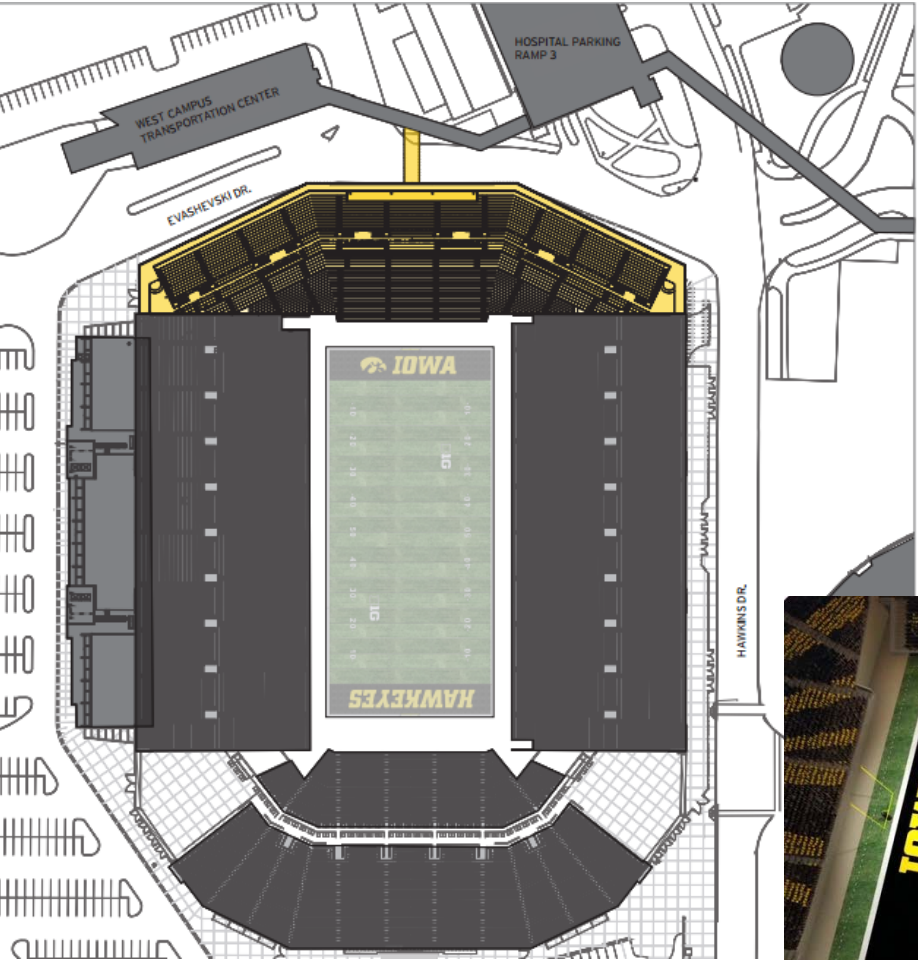

Level 01 Student Commons looking west

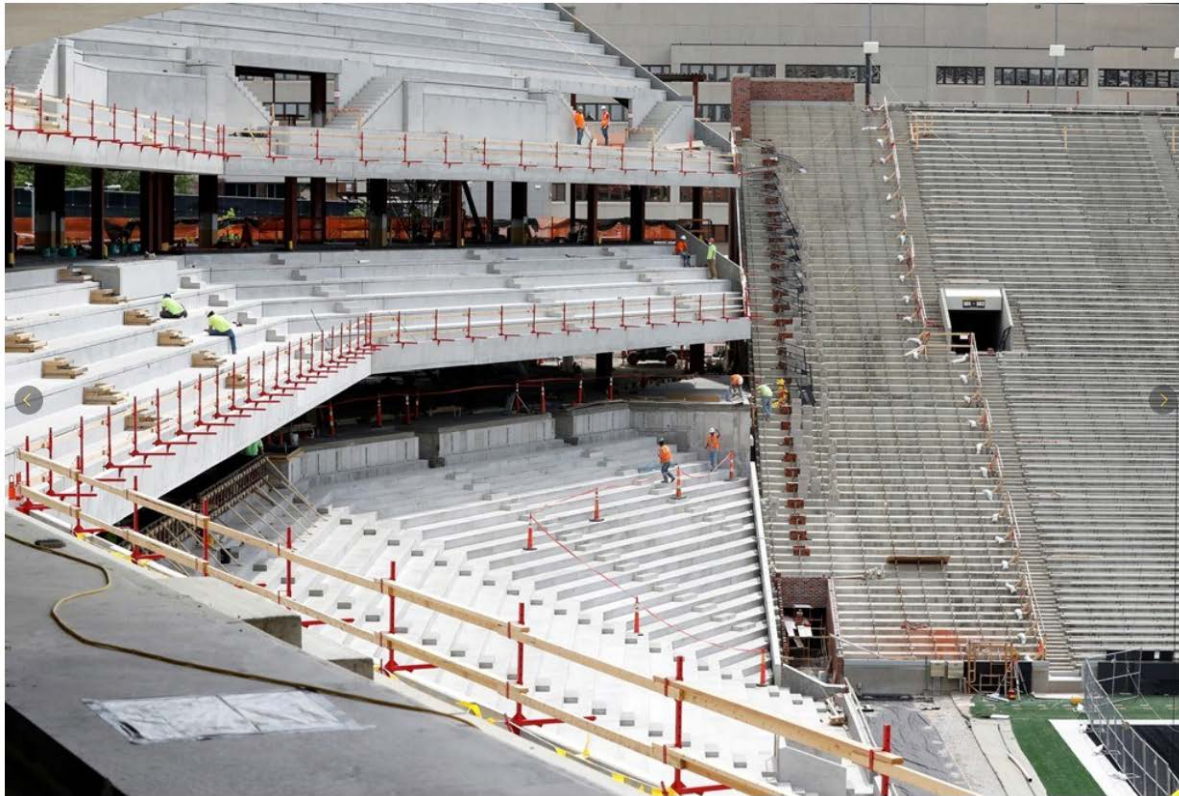

Ground Level South lecture classroom – looking northeast

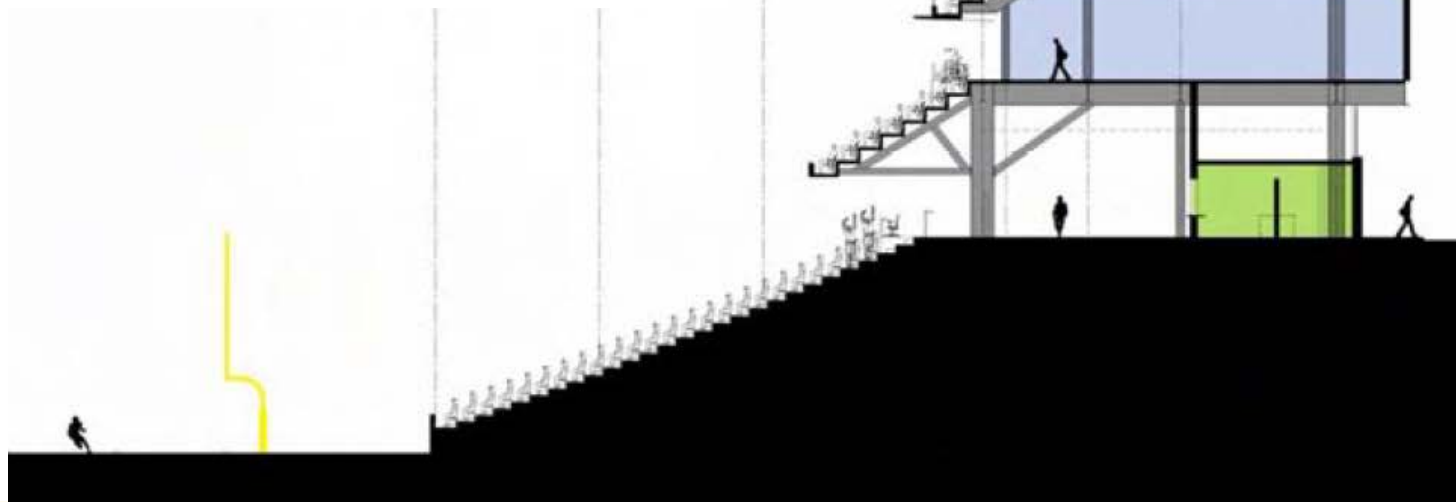

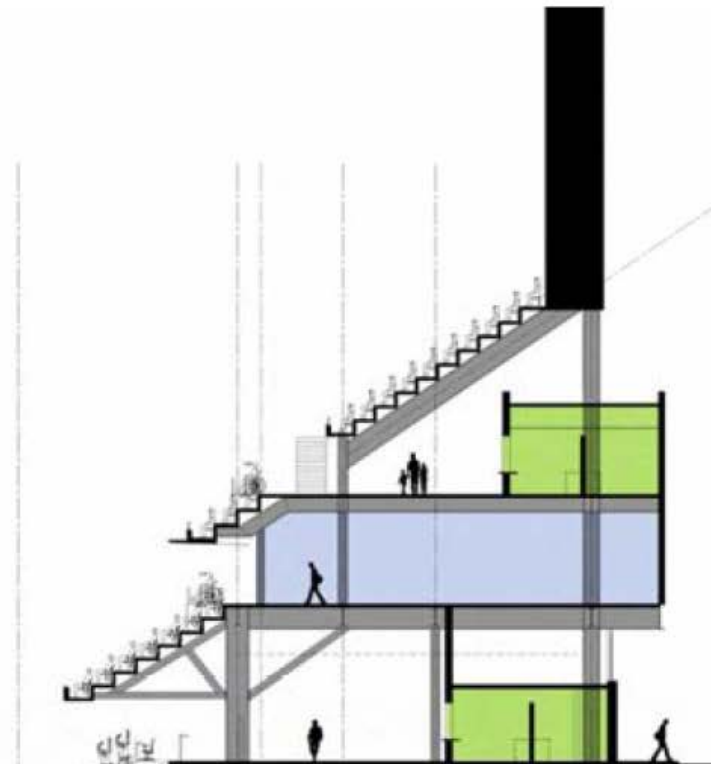

# Kinnick Stadium North End Zone Reconstruction

WORK CONTINUES ON THE NEW NORTH END ZONE WEDNESDAY, JUNE 6, 2018 AT KINNICK STADIUM. (BRIAN RAY/HAWKEYESPORTS.COM)
