Project Name	IMU Footbridge - Implement Drainage Measures	
Location	Entire IMU Footbridge will be closed at both east and west approaches. No bridge access will be available July 8-12.	
Reason For Closure	The closure is necessary to allow for replacement of IMU footbridge expansion joints, application of deck coating system, and implementation of drainage improvement measures.	
Additional Information	Construction barricades will be erected to close off pedestrian access to IMU Footbridge at both east and west approaches.	
Start Date	7/8/2019	Start Time 5AM
End Date	7/12/2019	End Time 5PM
Traffic Control	No	Affected Bus Route
Alternate Route	Iowa Avenue bridge sidewalks and/or Hancher Footbridge	
Accessible Route	Iowa Avenue bridge sidewalks and/or Hancher Footbridge	
Map	https://maps.facilities.uiowa.edu/closures/
