- REC SVC
- UIHC
- HOUSING

- ▶ 120 General Fund Building Entrances
- ▶ 700 Tons of Salt + Sand (2018-2019)
- ▶ 70+ Miles of Sidewalk
- ▶ 36 Miles of Road

After the Event

Routes and snow removal protocols are mostly set but each event is slightly different due to:

- Staff absences
- Equipment Issues
- University events
- Type of weather event

1. Staff continues with tiered priorities.

2. Manager and supervisors evaluate the event.

- What went well?
- What didn't?
- What adjustments need made?
- Paperwork...

3. Supervisors meet with their crews and reassess and adjust as needed with staff and outside feedback.

4. Plan for next event

- Re-order salt and sand
- Shape of equipment?
- Personnel rotation changes
