

Key & Access Services

WELCOME TO KEY & ACCESS SERVICES

In an effort to enhance campus safety efforts, Facilities Management Key & Access Services joined the Department of Public Safety on July 1, 2018. ([Read the announcement](#))

What We Do

- Issue keys and electronic access to buildings and rooms.
- Maintain electronic building and room open & close schedules.
- Manage the university's access control and alarm monitoring system hardware and software.
- Issue orders for desk and cabinet keys and building re-keying.
- Maintain a database of keys and cardholders.
- Manage the video surveillance platform
