Accessing Utilities Maps from non-IOWA Domain Windows computers

Note: Access to FM’s “restricted” maps are controlled by Windows Iowa Domain pass-through authentication. If your Windows computer resides in another domain (Ex. Healthcare), you will need to follow the steps below and use your HawkID.

1. Open Microsoft Edge Web browser.
2. Open a New InPrivate Window by clicking on the three dots in the upper right corner of the browser Window.

3. Click on New InPrivate Window

4. Navigate to https://www.facilities.uiowa.edu/utilities-maps
   a. Copy and paste the URL into the InPrivate address bar
5. Click on your desired map
6. Enter your HawkID (Ex. iowa\jdoe) and password in the following format and click Ok
